You say, "I am not a burden!"

Why did you block me when I attempted to direct correspondence to you in view of some maligned operations of the Crisis Text Line that I encountered?

Say Say Say

Step right up, step right up, come on gentleman, gather around

Let me tell you all about the Michael Jackson wonder potion

It's guaranteed to give you unbelievable power

Say, say, say what you want but don't play games with my affection

Take, take, take what you need but don't leave me with no direction

All alone I sit home by the phone waiting for you baby (baby)

Through the years how can you stand to hear my pleading for you

dear?

You know I'm crying, ooh, ooh, ooh, ooh, ooh

Yeah

Now go, go, go where you want but don't leave me here forever

You, you, you stay away so long, girl, I see you never

What can I do, girl, to get through to you

'Cause I love you baby (baby)

Standing here baptized in all my tears, baby through the years

You never ever worry and you never shed a tear

You're saying that my love ain't real

Just look at my face, these tears ain't drying

You, you, you can never say that I'm not the one who really loves you

I pray, pray, pray every day that you'll see things, girl, like I do

What can I do, girl, to get through to you

This conspiracy would interplay itself into the healthcare interface of my provider care at Colorado University Health [ @UCHealth ]. Twitter search [ gruwup password ] to get the tweet with the URL download to the passworded zip file and this tweet also has the zip password included along with this URL. Don't blame the messenger or let's put plainly it is you and not me that needs to change.

## Coverup Of Hate Conspiracy

James Driskill started this petition

Decision-makers: United States Department of Health and Human Services, Centers for Disease Control and Prevention

I have no HIV Care Doctor and no functional interface to social services as a person living with HIV/AIDS that hate is being held against me and others in the HIV Communities as a policy administration with a hate bias internal of the HHS / CDC / Ryan White Care Act Funded Services and Doctor Provider Care. All involvements of access to care terminated.

This is a trip! I can't make it any better than this error-filled video to how confused mental this [they] are making it for me to even deal

now confused mental this [ they ] are making it for me to even deal with everyday life my family does not understand they want the best for me of course but they are not realizing how involved this conspiracy how intertwined to any rational reasoning that this conspiracy reaches it's hate tentacles into the upper tier leadership of our government. I am at my last wit's end if something happens to me "whether that they murdered me or I commit suicide or God forbid I have an extreme attack heart attack or a reaction of having extremely high blood sugar comatose because I do not have access to care that is trustworthy and independent of this hate paradigm conspiracy involved in this extreme induction system of hate. I have had enough [#TIMESUP](#)
