Stop Prevaricating and Shit Storming 🤡 my parth and my RIGHT to FIX this !

I've tried every single possible Civil Society interface to resolve this. Each one of them collapse to service terminations blocking on social media no call backs ghosting and such nonsense. Even escalating themselves to an improper Court procedure a misleading complaints to shut me up . That I'm harassing you all and that is bull fucked up human shit

you all and that is but fucked up human shit ..
such as filing harassment charges in court to
prevent my discussion at least matters

⚠️ There is no consulate ⚠️

There are no council's available. Because you
all are not following the law including the
police. We're doing the police and law
enforcement including 911 services disabled
against - intentionally even though it's me
legal marnure they did it anyway.

None here with integrity.

Captured on 911 text interface at 9 a.m.
before I have to check out of the
Of room 101 at the GOLDEN STAR motel, 5th
street in SanBernardino.r

This matter continues to have no normalcy
outside apart of (🌟) continued conflict of
interests.

No consulate! Means we MUST FORM. OUR
OWN HERE - YOUR HIPPOCRATIC OATH
OBSERVED rationality. You cannot leave me
hanging here in the health jeopardy. I'm in you

cānñōt leave me hanging hère without añ
ability to interface to my Healthcare agents.
